

**DIRECTIONS:**

Mix 1/2 oz. Compost Starter with 1 gallon of water and spray evenly over each 90 gallons of material to be composted. Mix or agitate material after application if possible. For faster results when composting leaves, use with Medina Compost Nutrients.

**CAUTION:**

Avoid Direct contact with skin and eyes. Do not eat or inhale. In event of contact, wash with soap and water. Store in dry, sealed container below 110° F and above 32° F.
